About The Unforgettables Foundation

For many families, the anguish and heartbreak of a child's death is accompanied by the additional burden of financial incapacity. The simple truth is that many families are unable to afford a dignified, respectful burial for their beloved child.

The Unforgettables Foundation provides financial assistance to those families with limited resources to help offset the costs of final arrangements.

Currently, the Foundation's help is granted to families throughout Riverside, San Bernardino and Orange Counties with plans to expand. Requests for aid come from hospitals, social service agencies, and families themselves. Since the creation of the Foundation in 2001, over 2,800 families have been assisted in more than 60 cities in Southern California.

To help, or make contact, please contact The Unforgettables at 951-680-9996 or www.theunforgettables.com.
